

MEDICAL PEDICURE MENU

Essential Medical Pedicure

45 Minutes | \$135

This foundational pedicure combines the pampering of a classic pedicure with the therapeutic benefits of a medical treatment. Enjoy meticulous nail and cuticle care, callus reduction, all within a sterile environment, performed by a trained healthcare professional. Perfect for maintaining healthy feet and addressing any concerns.

Advanced Medical Pedicure

60 Minutes | \$155

Builds upon the Essential pedicure with added treatments for specific needs like ingrown toenails and fungal issues. Includes diabetic-safe care. Ideal for those requiring targeted foot care. This includes a hydrating massage and exfoliation.

Deluxe Medical Pedicure

75 Minutes | \$175

The ultimate pampering experience! Includes all the therapeutic benefits of the Advanced pedicure plus an extended hydrating massage, exfoliation, and a classic manicure to keep you looking and feeling your best.

Keryflex Treatments

One Toe \$150 | Two Toes \$250 | Ten Toes \$300
